HP-DEFEND

DISINFECTANT CONCENTRATE

CLEANING & DISINFECTION

- Cleaning is essential prior to effective disinfection
- Pre-clean barns and livestock carriers for pigs and poultry with TCI 722 H.D. Livestock excreta pre-soak cleaning concentrate
- HP-Defend is suitable for agricultural commodity transport vehicles
- HP-Defend is suitable for use on operator contact boots, and on transport wheels and tires

DILUTABLE CONCENTRATE

- Health Canada dilution ratio is 1:15 for recommended 5,000 ppm active Hydrogen Peroxide
- Refer to label for full details

CHEMICAL & TECHNOLOGY SUPPORT

- Use ONLY manufacturer approved proportioner
- Use ONLY manufacturer approved spray or foam applicator systems
- Use ONLY manufacturer approved spray and wipe method
- Wet contact dwell time is 10 minutes at ambient temperatures when used as directed
- For cold weather use: contact us for propylene glycol winterizing support

CLEANING ABILITY

HP-Defend has biodegradable detergents for surface wetting and mild acids for functionality of the oxidizer to deodorize and disinfect.

SUITABILITY

Safe on hard, inanimate surfaces when used as directed.

SAFE APPLICATION

No offensive or pungent chemical smell when used as directed.

GREEN

Eco-friendly formula. Hydrogen Peroxide dissociates into water and oxygen.
